

# Dura-Lite

Increase productivity and reduce discomfort

Increase safety and reduce worker fatigue with the Dura-lite Mat. Resistant to grease, oil and water, this mat has anti-microbial properties. Suction cup backing reduces mat movement and has anti-fatigue qualities. Drainage holes allow liquid to pass through, while beveled edges provide additional safety.

## Features & Benefits

- Oil , water and grease resistant
- Non-slip surface
- Suction cup backing helps keep mat in place
- Beveled and cleated edges help prevent slips, trips and falls
- Drainage holes allow liquids and dirt to pass through
- Bacterial growth reduced by anti-microbial material
- Provides support for legs and feet
- Durable and lightweight all-rubber construction makes mat easy to clean
- Commercial dishwasher safe
- 100% recyclable

## Colors

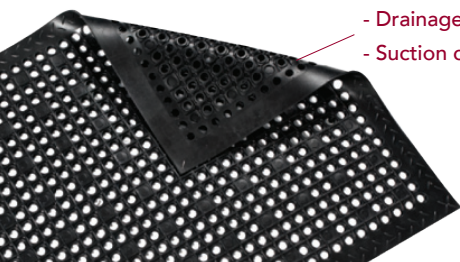

- Black

## Placement

- Machine shops
- Work stations
- Restaurants
- Gyms or fitness facilities
- Break rooms
- Utility areas
- Bars
- Kitchens

## Size

3' x 5'

- Drainage holes allow liquid and dirt to pass through
- Suction cup backing helps reduce mat movement
