

# UltraGuard

UltraGuard mats are manufactured using high quality, durable, stain-resistant polypropylene fiber. This fiber allows us to craft unique mats that combine durability and function with impeccable image presentation. Available in standard sizes, these mats may also be custom cut, seamed and tailored to most any specific dimensions both large and small.

## Features & Benefits

- Outstanding walk-off performance for heavy, multi-directional traffic applications
- Stain-resistant, color fast, and permanently anti-static
- Easily maintained by vacuuming and periodic extraction
- Green Label Plus certified

## Placement

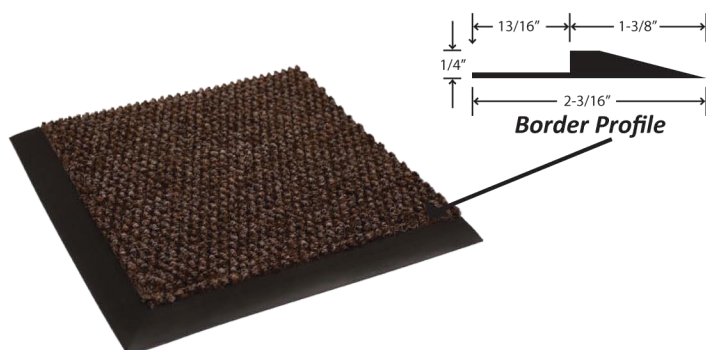

- Hotels
- Hospitals / Healthcare
- Retail stores
- Class A office buildings
