

# Brush Tip Scraper

Outdoor mats scrape shoes clean

Protect your floors by scraping shoes clean with rubber bristles. Walking over these mats removes moisture and heavy debris, trapping it in a deep reservoir, and keeping interior spaces clean and dry. Perfect for single entrances as part of a complete floor protection system.

## Features & Benefits

Protect your flooring by cleaning dirt and moisture from shoes before it enters your building.

- Bristles scrape grime and debris off shoes
- Dirt and water are held in reservoir
- 100% rubber construction for maximum durability
- Can be recycled

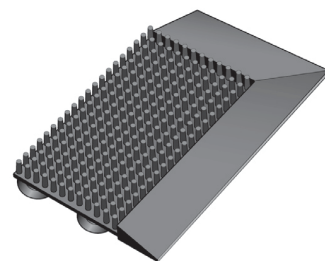

## Colors

- Black

## Placement

- Entranceways
- Production areas
- Break rooms
- Kitchens
- Vending areas
- Water fountains
- Ice machines

Size
2'x3'
3'x5'

Details
