

Phoenix Mat

The next generation of flooring

Take your matting to the next level with Phoenix. Phoenix uses cutting edge materials so the mat always lays flat. Increased durability increase the life of the mat and keeps it looking great between washes. Reduce your cost and increase your aesthetic appeal with Phoenix.

Features & Benefits

- Heat and stain resistant fiber to keep mats looking new
- Eco-friendly friendly mat - fiber made from 100% recycled content
- Phoenix mats have a faster drying time due to hydrophobic fiber
- Memory resistant Rubber - lays flat to enhance aesthetics and reduce tripping hazards
- Higher resistance to UV/Ozone
- Lighter and ages better than the competition
- Increased durability means variations in handling will not negatively impact quality
