

# UltraGuard Standard & Logo Inlay

Contact your Cintas Representative  
for more information

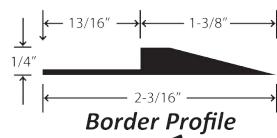

UltraGuard mats are manufactured using high quality, durable, stain-resistant polypropylene fiber. This fiber allows us to craft unique mats that combine functionality with impeccable image. Available in standard and custom sizes, these mats can be tailored to most any specific dimension.

## Features & Benefits

- Outstanding walk-off performance for heavy, multi-directional traffic applications
- Stain-resistant, color fast and permanently anti-static
- Easily maintained by vacuuming and periodic carpet extraction cleaning
- Beveled edges for smooth transition from mat to floor - reducing the risk for trips and falls
- Green Label Plus certified
- Certified 'High Traction' by the National Floor Safety Institute (NFSI)
- Any custom size available

## Common Placements

- Hotels
- Hospitals / Clinics
- Retail stores
- Office buildings
